Fall 2009

Dear Friend of the students of the Music Department,

I am a proud member of the Nordhoff High School Music Department. Because of our involvement with Nordhoff music, students like me have grown artistically, academically and socially. Many of our music students have exceptional grades and artistic accomplishments.

Nordhoff music groups have consistently won top awards and impressed audiences with their musicality and enthusiasm. **Students have had the opportunity to perform throughout California and at special locations such as Carnegie Hall in New York, Europe, as well as televised parades and half time shows.** We are proud of the many accomplishments of all of our instrumental and vocal programs, and we love the fellowship we all gain through traveling, learning and performing together.

Unfortunately, the stability of music education programs in public schools is now being threatened more than ever by budget cuts. **We are depending on the support of people like you who value music education to help continue our musical development.**

Our goal is that no student be left out of this wonderful program because of lack of money.

We hope you can help us preserve our great music program. Your financial donation will help provide us with scholarship money for instruments, music, uniforms, equipment, and will provide financial aide for Spring Tour, so we can all experience the many great features of the NHS Music Department.

We are asking for your support for Nordhoff Music in the 2009-2010 Season. Enclosed is a **Gift Form** that you may use for your donation. By donating, you will become an important part of our continued success.

Thank you for your support,

Student
